Newsletter Update

September 2019 Edition

Pleasure Lake Newsletter

News... *Please note that **lowering the lake water level will begin on or after October 15th, 2019.** This is a bit earlier than usual as minor mortar work maintenance needs to be done on the dam this Fall.

Upcoming events... more event details on our website www.pleasurelake.org.

Saturday, October 19th 5-7:30 p.m. - this season's last Happy Hour (thank you Jerry & Melinda!)

Highlighted this month...

September in National “Courtesy and Good Neighbor Month”. Our neighbors and friends at Pleasure Lake are a huge part of our love for it. If we ask ourselves how we can help and make a difference with our neighbors, we can first look at joining our yearly Work Party Day (always the Saturday

before our May members meeting over Memorial Day weekend). This summer we needed and held a second work party day to assist with several areas to keep our Lake healthy and pristine. Extra help on our Water Chestnut Harvest days are opportunities to assist as well.

There are also numerous small ways that we can be good neighbors on a daily basis at Pleasure Lake. Additional small courtesies to help keep our neighbors happy & safe include:

- adhering to all **speed limits** around the lake
- **closing our gates** at all entrances around the lake, at all times
- keeping our **pets under our control** and on our own lots at all times
- being aware of and limiting loud music very late at night
- making sure **all campfires & candles are completely out** whenever unattended
- cleaning up **areas of debris** on our individual lots

Please share these common courtesies with all of your guests as well. Thank you!

If there are items you would like us to highlight and share in our newsletter, please let us know. Mary B
