News & Reminders...

This month we will begin our first monthly Pleasure Lake newsletter. It will contain quick updates, news, and lake reminders, as well as our monthly events and a highlighted focus for each month. This is meant to be a brief overview of what's happening at Pleasure Lake, and not a substitute for the important Biannual Member Meeting minutes, our thorough Pleasure Lake website, and the FF&BC documents that we are all expected to read and be aware of. Let us know if there is an important item you would like us to mention and/or highlight.

Upcoming events... *...more details of each event on our FF&BC member website www.pleasurelake.org*

- Friday, Aug. 2nd, Golf Outing @ 10am
- Saturday, Aug. 3rd, 3rd Annual Lake Crawl (starting @ 12 noon)
- Saturday, Aug. 10th, Water Chestnut harvest @ 10am, Happy Hour & Horseshoe Tournament @ 5pm
- Saturday, Aug. 17th, Annual Boat Regatta

Highlighted this month...

August is National Water Quality Month...please know that the Board and our Aquatic Invasive Species Committee are working diligently with the town to help ensure that our lake's water is kept clean and healthy. This includes frequent water testing, visual inspections, periodic invasive species eradication (harvest) days, working with hired environmental experts, getting training from NYS's DEC, and consistent contact with the Town of South Fallsburg to guarantee that they are doing their part as well.

Look for the Perseid Meteor Shower on August 12th & 13th...should be great shooting stars if clear skies!
